2012 APPEAL

Continuing the Tradition

Dear Adelaide Baroque supporter,

For over 30 years, Adelaide Baroque has provided a distinguished concert platform for emerging and established baroque performers. This significant long-standing achievement is made possible not only by the dedication of our principal artists and colleagues, but also through the support of our donors.

In 2012 we are broadening our circle of associate artists, and creating more consistent professional performance opportunities for a new generation of local baroque musicians. This also provides a richer tapestry of excellence for our audiences, who take delight in following these talented artists throughout their developing careers.

Please help us continue this tradition by giving generously to the Adelaide Baroque Donor's Fund. Your contribution will help to create a strong and vibrant future for Adelaide Baroque and our circle of artists. Donations over \$2 are tax-deductible.

All donations are gratefully received, and donations over \$100 will be acknowledged in the AB News. Join the ranks of Adelaide Baroque Donors by sending your donation before 30 June. Your loyal support is very much appreciated.

Yours sincerely

Lesley Lewis Lynton Rivers
